The proprietors and manufacturers of HOS The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMAGE BIX-TERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a repu-tation heretofore unknown. A few facts upon his point will speak more powerfully than columns of bare assertion or biazoning pullery. The consumption of liostetter's Stomach Bi-ters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach the coming year the consumption will reach near one million bet les. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy displange of the functions of nature.
